Explosions by Ellie Goulding

You trembled like you'd seen a ghost
And I (1)_____ in
I lack the things you need the most, you said
Where have you been
You wasted all that sweetness to run and hide
I wonder why
I (2)_____ you of the days you (3)_____
your heart into
But you never tried
I've fallen from grace, took a blow to my face
I've loved and I've lost, I've loved and I've lost
Explosions
On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will never be the same
It will never be the same
You left my soul (4)_____ in the dark
So you could be king
The rules you set are still untold to me and I've
Lost my (5)_____ in everything
The nights you could cope
Your (6)_____ were gold
But the (7)_____ will shake
I need to know I can still (8)_____ explosions

On the day you (9)_____ up needing somebody
And you've learned
It's okay to be afraid
But it will never be the same
And as the floods move in
And your body starts to sink
I was the last thing on your mind
I know you better than you think
'Cause it's simple, darling
I gave you a warning
Now everything you own
Is falling from the sky in pieces
So watch them fall with you in slow motion
I pray that you'll find peace of mind
And I'll (10)_____ you another time
I'll love you, another time
Explosions
On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will never be the same
