You trembled like you'd (1) a gnost	On the day you wake up (17) somebody
And I gave in	And you've learned
lack the things you need the most, you said	It's okay to be afraid
Where have you been	But it (18) never be the same
You wasted all that sweetness to run and hide	And as the floods move in
(2) why	And your body starts to sink
remind you of the days you (3) your heart	I was the last thing on (19) mind
nto	I (20) you better than you think
But you never tried	'Cause it's simple, darling
've fallen (4) grace, took a (5) to my	I gave you a warning
ace	Now everything you own
've loved and I've lost, I've (6) and I've lost	Is falling (21) the sky in pieces
Explosions	So watch them (22) with you in slow motion
On the day you wake up needing somebody	I pray that you'll find peace of mind
And you've learned	And I'll (23) you (24) time
t's okay to be afraid	I'll love you, another time
But it (7) never be the same	Explosions
t will (8) be the same	On the day you (25) up (26)
You left my soul (9) in the dark	somebody
So you could be king	And you've learned
The rules you set are still untold to me and I've	It's (27) to be afraid
_ost my (10) in everything	But it will never be the same
The (11) you (12) cope	
Your (13) were gold	
But the (14) will shake	
(15) to know I can (16) make	
explosions
