

All I feel now

And we can escape

Fill in the gaps

Is the (1) of the day		
I need you with me		
To push it away		
When we disappear into each other		
Our (2) appear and bleed into one		
Fade into me, fade into you		
Two of us melting together		
Until we become something new		
And we can escape		
And watch the world chasing to find us		
Both of us hidden from view		
If you, fade into me		
Fade into me		
When I'm broken		
You're the one thing I need		
Like an ocean		
I feel you crash over me		
We disappear into each other		
Our colors appear and bleed into one		
Fade into me, (3) into you		
The two of us melting together		
Until we become something new		

And (4)	the world chasing to find us
Both of us (5)	from view
If you, fade into me	
Let go, fall in	
Drown in the (6)	with me
Sinking 'til we (7)	to breathe
Fade into me, fade in	ito you
The two of us melting	together
Until we (8)	something new
And we can escape	
And watch the world	chasing to (9) us
(Oh) fade into me	
Fade into you	
The two of us melting	together
Until we become som	nething new
And we can escape	
And watch the world chasing to find us	
Both of us hidden from view	
If you	
Fade into me
