Careless Whisper by George Michael

| I feel so unsure | Tonight the (17) seems so loud |
|---|---|
| As I take your hand and lead you to the dance floor | I wish that we could lose (18) crowd |
| As the (1) dies something in your eyes | Maybe it's better this way |
| Calls to (2) a (3) | We'd hurt each other with the things we (19) to say |
| (4) and all its sad goodbyes | We could (20) been so good together |
| I'm never gonna dance again | We could have lived this dance forever |
| Guilty feet have got no rhythm | But now, who's gonna dance with me? |
| Though it's easy to pretend | Please stay |
| I know you're not a fool | I'm never gonna (21) again |
| I should have (5) better than to cheat a friend | Guilty (22) have got no rhythm |
| And waste a chance that I'd (6) given | Though it's easy to pretend |
| So I'm never gonna dance again | I know you're not a fool |
| The way I danced with you | I should have (23) better than to |
| Time can (7) mend | (24) a friend |
| The careless whispers of a good friend | And waste a chance that I'd been given |
| To the (8) and (9) ignorance is kind | So I'm never gonna dance again |
| There's no comfort in the truth, pain is that all you'll find | The way I danced with you |
| I'm never gonna (10) again | (Now that you're gone) |
| Guilty feet have got no rhythm | Now (25) you're gone |
| Though it's (11) to pretend | (Now that you're gone) |
| I (12) you're not a fool | Was what I did so wrong? |
| I should have (13) better than to | So (26) that you had to leave me alone? |
| (14) a friend | |
| And waste a chance that I'd (15) given | |
| | |

So I'm (16)_____ gonna dance again
