With or without your love

Fill in the gaps

Careless Whisper by George Michael

I feel so unsure	Tonight the music seems so loud
As I take your hand and lead you to the dance floor	I wish that we could lose (6) crowd
As the music dies something in your eyes	Maybe it's better this way
Calls to mind a silver screen and all its sad goodbyes	We'd hurt (7) (8) with the things we
I'm never gonna dance again	want to say
Guilty feet have got no rhythm	We could have (9) so good together
Though it's easy to pretend	We could have lived this dance forever
I know you're not a fool	But now, who's gonna dance with me?
I should have known better (1) to cheat a friend	Please stay
And waste a chance (2) I'd been given	I'm never gonna dance again
So I'm never gonna dance again	Guilty feet (10) got no rhythm
The way I danced with you	Though it's easy to pretend
Time can never mend	I know you're not a fool
The careless whispers of a good friend	I should have known better than to cheat a friend
To the heart and mind ignorance is kind	And waste a chance that I'd been given
There's no comfort in the truth, pain is that all you'll find	So I'm never gonna dance again
I'm never gonna dance again	The way I danced with you
Guilty feet (3) got no rhythm	(Now that you're gone)
Though it's easy to pretend	Now that you're gone
I know you're not a fool	(Now that you're gone)
I should have (4) better than to (5)	Was what I did so wrong?
a friend	So wrong that you had to leave me alone?
And waste a chance that I'd been given	
So I'm never gonna dance again	
The way I danced with you
