

You know sometimes I feel

Fill in the gaps

La la la la lei	I gotta earn every breath you take
La la lei	Baby, never mind the rules we break
La la la la la lei	Cause it's an animal city
La la lei	It's a cannibal world
Why do all my friends	So be obedient, don't argue
Now want to be your lovers?	Some are ready to bite you
Your family got bigger	It's an animal city
When they thought you were rich	lt's a (4) world
And now like maniacs	So be obedient, don't argue
They scratch your back	Some are ready rip you right off
Even when it doesn't itch	With you I feel safe
I want to figure it all	There's nothing to fear from us
I want to figure it all out	Away from the fangs
I want to save you from	The fangs of the world
Save you from all the fame	I may be a coward but you are brave
Save you (1) the (2) that cause us	And nothing (5) so dangerous
pain	Cause it's an animal city
Cause it's an animal city	It's a cannibal world
It's a cannibal world	So be obedient, don't argue
So be obedient, don't argue	Some are ready to bite you
Some are ready to fight you	It's an animal city
It's an animal city	It's a cannibal world
It's a cannibal world	So be obedient, don't argue
So be obedient, don't argue	Some are ready rip you right off
Some are ready to fight you	Cannibal world
My love	Cannibal world
They believe you now	Cannibal world
Have everything you wanted	Cannibal world
And once you have become a star	So be obedient, don't argue
You got no right to bitch	Some are ready to bite you
But (3) when you fail	My love
They'll put you on sale	You can call me a sinner but you can't call me a saint
And buy you by the inch	(6) me for who I am
But you're the real deal	(7) me for (8) I ain't.
