## SUB inglés

Than it's worth in the sun

## Fill in the gaps

## Road Trippin' by Red Hot Chili Peppers

| Road Trippin with my two favorite allies             | Just a mirror for the sun                           |
|--|---|
| Fully loaded we got snacks and supplies              | Just a mirror for the sun                           |
| It's time to leave (1) town, it's time to steal away | These smiling eyes are (5) a mirror for             |
| Let's go get lost (2) in the USA                     | In Big Sur we take some time to liger on            |
| Let's go get lost, let's go get lost                 | We three hunky dory's got our snakefinger on        |
| Blue you sit so pretty west of the one               | Now let us drink the stars, it's time to steal away |
| Sparkles (3) with yellow icing                       | Let's go get lost (6) here in the USA               |
| Just a mirror for the sun                            | Let's go get lost, let's go get lost                |
| Just a mirror for the sun                            | Blue you sit so pretty west of the one              |
| Just a mirror for the sun                            | Sparkles light with yellow icing                    |
| These smiling eyes are just a mirror for             | Just a mirror for the sun                           |
| So much as (4) before                                | Just a mirror for the sun                           |
| Those battles lost and won                           | Just a mirror for the sun                           |
| This life is shining more forever in the sun         | These smiling eyes are (7) a mirror for             |
| Now let us check our heads                           | These smiling eyes are (8) a mirror for             |
| And let us check the surf                            | Your (9) eyes are just a mirror fo                  |
| Staying high and dry's more trouble                  |   |

- 1. this
- 2. anywhere
- 3. light
- 4. come
- 5. just
- 6. right
- 7. just
- 8. just
- 9. smiling
