

Fill in the gaps

## I Need A Doctor by Dr. Dre & Eminem & Skylar Grey

I'm about to lose my mind

You've been gone for so long

I'm running out of time

I need a doctor

Call me a doctor

I need a doctor, doctor

To bring me back to life

I told the world

One day I would pay it back

Say it on tape and lay it, record it

So that one day I can play it back

But I don't even know

If I believe it when I'm saying that

Doubt startin' to creep in

Everyday it's just so grey and black

Hope, I just need a ray of that

'Cause no one sees my vision

When I play it for 'em

They just say it's whack

But they don't know what dope is

And I don't know if I was awake or asleep

When I wrote this

All I know is

You came to me when I was at my lowest

You picked me up

Breathed new life in me

I owe my life to you

But for the life of me

I don't see why you don't see like I do

## Fill in the gaps

But it just dawned on me; you (1) \_\_\_\_\_ a son

Demon's fightin' you, it's dark

Let me turn on the lights

And brighten me and enlighten you

I don't think you realize

What you mean to me

Not the slightest clue

'Cause me and you, were like a crew

I was like your sidekick

You gon' either (2) \_\_\_\_\_ fight

When I get off this \*\*\*\*\* mic

Or you gon' hug me, but I'm out of options

There's nothing else I can do 'cause

I'm about to lose my mind

You've been gone for so long

I'm running out of time

I need a doctor

Call me a doctor

I need a doctor, doctor

To (3) \_\_\_\_\_ me back to life

It hurts when I see you struggle

You come to me with ideas

You say they're just pieces

So I'm puzzled

'Cause the \*\*\*\* I hear is crazy

But you're either getting lazy

Or you don't believe in you no more

Seems like your own opinions

Not one you can form

Can't make a decision

## Fill in the gaps

You keep questioning yourself

Second guessing

And it's almost like your (4)\_\_\_\_\_ for my help

Like, I'm your leader

You're supposed to \*\*\*\*\* be my mentor

I can endure

No more, I demand you remember who you are!

It was you, who believed in me

When everyone was telling you

Don't sign me

Everyone at the \*\*\*\*\* label

Lets tell the truth

You risked your career for me

I (5)\_\_\_\_\_ it as well as you

Nobody wanted to \*\*\*\* with the white boy, Dre

I'm crying in this booth

You saved my life

Now maybe it's my time to save yours

But I can never repay you

What you did for me is way more

But I ain't giving up faith

And you ain't giving up on me

Get up Dre! I'm dying, I need you

Come back for \*\*\*\*'s sake cause

I'm about to lose my mind

You've been gone for so long

I'm running out of time

I need a doctor

Call me a doctor

I need a doctor, doctor

To bring me back to life

Bring me back to life

Bring me back to life

(I need a doctor, doctor to bring me back to life)

It literally feels like a lifetime ago

But I still remember the \*\*\*\*

Like it was just yesterday though

You walked in, (6)\_\_\_\_\_ jump suit

Whole room, cracked jokes

Once you got inside the booth

Told you, like smoke

Went through friends

Some of (7)\_\_\_\_\_ I put on

But they just left

They said they was riding to the death

But where the \*\*\*\* are they now

Now that I need them

I don't see none of them

All I see is Slim

\*\*\*\* all you fairweather friends, all I need is him

\*\*\*\*\* backstabbers

When the chips were down

You just laughed at us

Now you bout to feel the \*\*\*\*\* wrath of aftermath

Faggots

You gon' see us in our lab jackets

And ask (8)\_\_\_\_\_ the \*\*\*\* we been?

You can kiss my indecisive \*\*\* crack

Maggots and the crackers \*\*\*

Little cracker jack beat making wack math

## Fill in the gaps

One more CD and then I'm packing up my bags

And as I leave

And I (9)\_\_\_\_\_ they'll scream

Dre don't leave us like (10)\_\_\_\_\_ man 'cause

I'm about to lose my mind

You've been gone for so long

I'm running out of time

I need a doctor

Call me a doctor

I need a doctor, doctor

To bring me back to life
