## I Need A Doctor by Dr. Dre & Eminem & Skylar Grey

i m about to lose my mind
You've (1) gone for so long
I'm running out of time
I need a doctor
Call me a doctor
I need a doctor, doctor
To (2) me back to life
I told the world
One day I would pay it back
Say it on tape and lay it, record it
So that one day I can play it back
But I don't even know
If I believe it when I'm saying that
Doubt startin' to creep in
Everyday it's just so grey and black
Hope, I just need a ray of that
Cause no one sees my vision
When I play it for 'em
They just say it's whack
But they don't know what dope is
And I don't know if I was awake or asleep
When I wrote this
All I know is
You came to me when I was at my lowest
You picked me up
Breathed new (3) in me
I owe my life to you
But for the life of me

But it just dawned on me; you lost a son
Demon's fightin' you, it's dark
Let me turn on the lights
And brighten me and enlighten you
I don't think you realize
What you (4) to me
Not the slightest clue
'Cause me and you, were like a crew
I was like your sidekick
You gon' (5) wanna fight
When I get off this ****** mic
Or you gon' hug me, but I'm out of options
There's nothing else I can do 'cause
I'm about to lose my mind
You've been gone for so long
I'm running out of time
I need a doctor
Call me a doctor
I need a doctor, doctor
To bring me back to life
It hurts when I see you struggle
You come to me with ideas
You say they're just pieces
So I'm puzzled
'Cause the **** I hear is crazy
But you're either getting lazy
Or you don't believe in you no more
Seems like your own opinions

Not one you can form

Can't make a decision

#### You keep questioning yourself

### Second guessing

And it's almost like your begging for my help

Like, I'm your leader

You're supposed to \*\*\*\*\*\* be my mentor

I can endure

No more, I demand you remember who you are!

It was you, who believed in me

When everyone was telling you

Don't sign me

Everyone at the \*\*\*\*\*\* label

Lets tell the truth

You risked your career for me

I know it as well as you

Nobody wanted to \*\*\*\* with the white boy, Dre

I'm crying in this booth

You saved my life

Now maybe it's my time to save yours

But I can never repay you

What you did for me is way more

But I ain't giving up faith

And you ain't giving up on me

Get up Dre! I'm dying, I need you

Come back for \*\*\*\*'s sake cause

I'm about to lose my mind

You've been gone for so long

I'm running out of time

I need a doctor

Call me a doctor

I need a doctor, doctor

(UB)
To bring me back to life
Bring me back to life
Bring me back to life
(I need a doctor, doctor to bring me back to life)
It literally feels like a lifetime ago
But I still remember the ****
Like it was just yesterday though
You walked in, yellow jump suit
Whole room, cracked jokes
Once you got inside the booth
Told you, like smoke
Went through friends
Some of them I put on
But they (6) left
They said they was riding to the death
But where the **** are they now
Now that I need them
I don't see none of them
All I see is Slim
**** all you fairweather friends, all I need is him
****** backstabbers
When the chips were down
You just laughed at us
Now you bout to feel the (7) wrath of aftermath
Faggots
You gon' see us in our lab jackets
And ask where the **** we been?
You can kiss my indecisive *** crack
Maggots and the crackers ***

Little cracker jack beat making wack math
