

There's vultures and thieves at your back

## Fill in the gaps

Spend all your (1) waiting	And the storm (13) on twisting
For that second chance	You (14) on building the lie
For a (2) (3) would make it okay	That you (15) up for all that you lack
There's always some reason	It don't (16) no difference
To (4) not good enough	Escaping one (17) time
And it's hard at the end of the day	It's easier to believe
I need (5) distraction	In this sweet madness
(Oh) (6) release	(Oh) this glorious (18) that
Memory (7) from my veins	Brings me to my knees
Let me be empty	In the arms of an angel
And weightless and maybe	Fly away from here
I'll find some (8) tonight	From this dark cold hotel room
In the (9) of an angel	And the endlessness that you fear
Fly away (10) here	You are (19) (20) the wreckage
From this dark (11) hotel room	Of (21) reverie
And the endlessness that you fear	You're in the arms of the angel
You are pulled from the wreckage	May you find
Of your silent reverie	Some (23) here
You're in the arms of the angel	You're in the (24) of the angel
May you find	May you find
Some comfort here	Some comfort
So (12) of the straight line	Here
And everywhere you turn
