

I'm lost in the light

Fill in the gaps

I pray for the night
To take me, to take you too
After so (1) words
Still nothing's heard
Don't know what we should do
So if someone could see me now
Let them see you
It was my greatest thrill
When we just stood still
You let me hold your hand 'til I had my fill
Even counting sheep
Don't help me sleep
I just toss and turn right there beside ya
So if (2) could help me now
They'd help you too
They'd help you too
See you through
All the (3) (4) we've all gotta do
'Cause this life is long

So you wouldn't be wrong
Being free, leaving me on my own
And I (5) my own
Still I rattled your bones
I said some awful things and I take them back
If we would try again
Just remember when
Before we were lovers I swear we (6) friends
So if (7) could see me now
So if (7) could see me now Let them see you
Let them see you
Let them see you Let (8) see you
Let them see you Let (8) see you See you through
Let them see you Let (8) see you See you through All the hard things we've all (9) do
Let them see you Let (8) see you See you through All the hard things we've all (9) do 'Cause this life is long
