

Temper

Fill in the gaps

What have we done with innocence	Temper
It disappeared with (1) it never made much sense	Temper
Adolescent resident	One last thing before I quit
Wasting another night on planning my revenge	I never wanted any more than I (5) fit
One in ten	Into my head I still remember
One in ten	Every single word you said
One in ten	And all the shit that somehow came along with it
Don't want to be (2) monkey wrench	Still (6) is one thing that comforts me
One more (3) accident	Since I was always caged and now I'm free
I'd rather leave than suffer this	Don't want to be (7) (8) wrench
I'll never be your monkey wrench	One more indecent accident
All this time to make amends	I'd rather (9) than suffer this
What do you do when all your enemies are friends?	I'll never be your monkey wrench
Now and then I'll try to bend	Don't want to be your monkey wrench
Under pressure wind up snapping in the end	(Fall in fall out)
One in ten	Don't want to be your (10) wrench
One in ten	(Fall in fall out)
One in ten	Don't want to be your monkey wrench
Don't want to be (4) monkey wrench	(Fall in fall out)
One more indecent accident	Don't want to be your monkey wrench
I'd rather leave than suffer this	
I'll never be your monkey wrench
