## A Matter Of Time (Live) by Foo Fighters

Let's change the subject to someone else	It doesn't matter much to you
You know, (1) I've been subject to change	(Uh)
Normally I reel in the strange	It doesn't matter much to me
Hangover, I'm older	It doesn't matter much to you
You're one to talk, your heart is a clock	It's (5) a matter of time
Just like a bomb it keeps on tikin' away	Before, before
Counting down to detonate	It's just a matter of time.
You will need an (2) to (3) me	Before, before
It doesn't matter much to me	And though I hate to rewind
It doesn't matter much to you	Before, before
(Uh)	It's just a matter of time
It doesn't matter much to me	Where the hell were you?
It doesn't matter much to you	(Uh)
It's just a matter of time	Where the hell were you?
Before, before	(Uh)
It's just a matter of time	Where the (6) were
Before, before	It's just a matter of time
And though I hate to rewind	Before, before
Before, before	It's just a matter of time
It's just a matter of time	Before, before
My past is getting us nowhere fast	And though I hate to rewind
I was never one for taking things slow	Before, before
Nowhere seems like somewhere to go	It's just a matter of time
Come over, and over	What does it matter now?
Doing my time for line after line	What does it matter now?
When will I learn to sing these crimes to myself?	What (7) it (8) now?
Prisoners to share a (4) with	What does it matter now?
I'm holding, still holding	It's just a matter
