

If I called you lately

Fill in the gaps

On the corner	I could be your man
nto my car	(Woah woah)
drive forever	(Woah woah)
And never get far	Shut it down
The 45 is slowly (1) loaded	Now look in my eyes
Send another (2) to my star	Knock 'em dead
California (3) in the morning	A (7) in flies
Stitch it up	The big sleep
Get it off	Without A bed of roses
All along the woman's got a warning	A light of day
Stitch it up	Will never tell lies
Get it off	Fall along the woman's got a warning
We all walked your pavement	Stitch it up
Get it off	Get it off
Take (4) than your	California (8) in the morning
(Woah woah)	Stitch it up
(Woah woah)	Get it off
A (5) inside of my head	We all walked your pavement
Swinging low I hope to get hit	Take more than (9) faith
The overflow is slowly adding up	If I called you lately
Another (6) will never fix it	I could be your man
California mountains in the morning	I could be your greatness
Get along	If I called you lately
Get it off	I could be (10) man
All along the woman's got a warning	On the river
Stitch it up	Into my dock
Get it off	I paddle through
We all walked your pavement	The shadow and fog
Get it off	To ponder all of those
Take more than your	That came before me
Faith Faith	Another piece for
f I called you lately	Building my arch
could be your man	
could be your greatness
