Fill in the gaps

While Your Lips Are Still Red by Nightwish

Sweet little words made for silence
Not talk
Young heart for love
Not heartache
Dark hair for catching the wind
Not to veil the sight of a cold world
Kiss, (1)_____ your (2)_____ are still red
While he's still silent rest
While (3)_____ is still untouched, unveiled
Hold (4)_____ hand
While the hand's still without a tool
Drown into eyes while they're still blind
Love (5)_____ the night still hides the withering dawn
First day of (6)_____ never comes back
A passionate hour's never a wasted one
The violin, the poet's hand
Every thawing heart plays your theme with care
Kiss, while (7)_____ lips are still red
While he's still silent rest
While bosom is still untouched, unveiled
Hold another hand
While the hand's still without a tool
Drown into eyes while they're still blind
Love while the night still hides the withering dawn…
(Oh…)
Kiss, (8)_____ your (9)_____ are still red
While he's (10)_____ silent rest
While bosom is still untouched, unveiled
Hold another hand
While the hand's still without a tool
Drown into eyes while they're still blind
Love while the night still hides the withering dawn…
