## While Your Lips Are Still Red by Nightwish

Sweet (1) words made for slience	Kiss, while your lips are still red
Not talk	While he's (18) silent rest
Young (2) for love	While bosom is (19) untouched, unveiled
Not heartache	Hold another hand
Dark (3) for catching the wind	While the hand's (20) without a tool
Not to (4) the sight of a (5) world	Drown into eyes while they're still blind
Kiss, (6) (7) lips are (8)	Love while the (21) still hides the withering
red	dawn
While he's still (9) rest	(Oh)
While bosom is (10) untouched, unveiled	Kiss, (22) (23) lips are still red
Hold (11) hand	While he's still silent rest
While the hand's still (12) a tool	While bosom is (24) untouched, unveiled
Drown into eyes while they're still blind	Hold another hand
Love while the (13) hides the	While the hand's still without a tool
withering dawn	Drown (25) eyes (26) they're
First day of love never comes back	(27) blind
