

## Fill in the gaps

### While Your Lips Are Still Red by Nightwish

Sweet (1)\_\_\_\_\_ words made for silence

Not talk

Young heart for love

Not heartache

Dark hair for catching the wind

Not to veil the sight of a cold world

Kiss, while your lips are still red

While he's still (2)\_\_\_\_\_ rest

While bosom is (3)\_\_\_\_\_ untouched, unveiled

Hold another hand

While the hand's still without a tool

Drown into eyes while they're still blind

Love (4)\_\_\_\_\_ the night still hides the withering dawn

First day of love never comes back

A passionate hour's never a wasted one

The violin, the poet's hand

Every thawing heart plays (5)\_\_\_\_\_ theme with care

Kiss, while your lips are still red

While he's still silent rest

While bosom is still untouched, unveiled

Hold another hand

While the hand's still (6)\_\_\_\_\_ a tool

Drown into (7)\_\_\_\_\_ while they're still blind

Love while the night still (8)\_\_\_\_\_ the withering dawn...

(Oh...)

Kiss, while your lips are still red

While he's still silent rest

While bosom is still untouched, unveiled

Hold another hand

While the hand's (9)\_\_\_\_\_ (10)\_\_\_\_\_ a tool

Drown into eyes while they're still blind

Love while the night still hides the withering dawn...
