

## Fill in the gaps

### While Your Lips Are Still Red by Nightwish

Sweet (1)\_\_\_\_\_ words made for silence

Not talk

Young heart for love

Not heartache

Dark hair for catching the wind

Not to veil the sight of a cold world

Kiss, while your lips are still red

While he's still silent rest

While bosom is still untouched, unveiled

Hold another hand

While the hand's still without a tool

Drown into eyes while they're still blind

Love while the night still hides the withering dawn

First day of love (2)\_\_\_\_\_ comes back

A passionate hour's never a wasted one

The violin, the poet's hand

Every (3)\_\_\_\_\_ heart plays your theme with care

Kiss, while your lips are still red

While he's still silent rest

While bosom is still untouched, unveiled

Hold (4)\_\_\_\_\_ hand

While the hand's still without a tool

Drown into eyes while they're still blind

Love while the night still hides the withering dawn...

(Oh...)

Kiss, while your lips are still red

While he's (5)\_\_\_\_\_ silent rest

While (6)\_\_\_\_\_ is still untouched, unveiled

Hold (7)\_\_\_\_\_ hand

While the hand's still without a tool

Drown into (8)\_\_\_\_\_ while they're still blind

Love while the night still hides the withering dawn...

## Fill in the gaps

Answer

1. little
