

## Fill in the gaps

## While Your Lips Are Still Red by Nightwish

Sweet little words made for silence	Kiss, while your lips are still red
Not talk	While he's still silent rest
Young heart for love	While bosom is still untouched, unveiled
Not heartache	Hold another hand
Dark hair for (1) the wind	While the hand's still without a tool
Not to veil the sight of a cold world	Drown into eyes while they're still blind
Kiss, while your lips are (2) red	Love while the night (6) (7) the
While he's still silent rest	withering dawn
While bosom is still untouched, unveiled	(Oh)
Hold another hand	Kiss, while your lips are still red
While the hand's still without a tool	While he's still silent rest
Drown into eyes while they're (3) blind	While bosom is still untouched, unveiled
Love (4) the night still hides the withering dawn	Hold another hand
First day of love never comes back	While the hand's still (8) a tool
A passionate hour's never a wasted one	Drown into eyes while they're (9) blind
The violin, the poet's hand	Love while the night still hides the (10)
Every (5) heart plays your theme with care	dawn

- 1. catching
- 2. still
