

Fill in the gaps

waking up to find another day	& notning less cause
The moon got lost again last night	You know I give you all of me
But now the sun has (1) had its say	I give you everything that I am
I guess I feel alright	I'm handin' over everything that I've got
But it hurts (2) I think	Cause I wanna have a really true love
When I let it sink in	Don't ever wanna have to go & give you up
It's all (3) me	Stay up till Four In The Morning & the tears are pouring
I'm lying here in the dark	& I want to make it worth the fight
I'm watching you sleep, it hurts a lot	What have we been doing for all this time?
& all I (4) is	Baby if we're gonna do it, come on do it right
You've got to give me everything	Oh please, you know what I need
Nothing less cause	Save all (7) love up for me
You know I give you all of me	We can't (8) the love
I give you everything that I am	Give me everything that you have
I'm handin' over everything that I've got	& all I know is
Cause I wanna have a really true love	You got to give me everything
Don't ever wanna have to go & give you up	& nothing less cause
Stay up till Four In The Morning & the (5) are	You know I give you all of me
pouring	I give you everything that I am
& I want to make it worth the fight	I'm handin' over everything that I've got
What have we been doing for all this time?	Cause I (9) have a really true love
Baby if we're gonna do it, (6) on do it right	Don't ever wanna have to go & give you up
All I wanted was to know I'm safe	Stay up till Four In The Morning & the tears are pouring
Don't want to lose the love I've found	& I want to make it (10) the fight
Remember when you said that you would change	What have we been doing for all this time?
Don't let me down	Baby if we're gonna do it, come on do it right
It's not fair how you are	(Give you everything)
I can't be complete, can you give me more?	(Give you all of me)
& all I know is	
You got to give me everything
