(I Just) Died In Your Arms by Cutting Crew

(Oh I)	One too many times
I (1) died in your arms tonight	(Oh I)
It must have been something you said	I (16) died in your arms tonight
I just (2) in your arms tonight	It (17) have been something you said
I keep looking for something I can't get	I just died in (18) arms tonight
Broken hearts, they're all around me	(Oh I)
And I don't see an easier way to get out of this	I just (19) in your (20) tonight
Her (3) sits by the bedside table	It must have been some kind of kiss
The curtains are closed	I should have walked away
The cat's in the cradle	I should have walked away
Who would have thought that a boy like me	It was a long hot night
Could (4) to this?	She made it easy
(Oh I)	She made it (21) right
I just died in your (5) tonight	But now it's over
It (6) have been (7) you	The moment has gone
said	I followed my hands to my head
I (8) in (10) arms tonight	I know I was wrong
(Oh I)	(Oh I)
I just died in (11) arms tonight	I just (22) in your arms tonight
It must have been some (12) of kiss	It must have been something you said
I should have walked away	I just died in your arms tonight
I should (13) (14) away	(Oh I)
Is there any just cause for feeling like this?	I just died in (23) arms tonight
On the surface I'm a name on a list	It must (24) been (25) kind of kis
I try to be discreet	I (26) have walked away
But then blow it again	I (27) have walked away
I've lost and found it's my final mistake	
She's (15) by proxy	
No give and all take
