(I Just) Died In Your Arms by Cutting Crew

(Oh I)

I just died in your arms tonight

It must have been something you said

I just died in your arms tonight...

I keep looking for something I can't get

Broken hearts, they're all around me

And I don't see an easier way to get out of this

Her diary sits by the bedside table

The curtains are closed

The cat's in the cradle

Who would (1)_____ thought (2)_____ a boy like me

Could (3)_____ to this?

(Oh I)

I just died in your (4)_____ tonight

It must have (5)_____ something you said

I just died in your arms tonight

(Oh I)

I just died in your arms tonight

It must have been some kind of kiss

I should have walked away

I should have walked away

Is there any just cause for feeling like this?

On the surface I'm a name on a list

I try to be discreet

But then blow it again

I've lost and found it's my final mistake

She's loving by proxy

No give and all take

'Cause I've been thrilled to fantasy

One too many times

(Oh I)

I just died in your arms tonight

It must have been something you said

I just (6)_____ in your arms tonight

(Oh I)

I just died in your arms tonight

It must (7)_____ been some kind of kiss

I should have walked away

I should have walked away

It was a (8)_____ hot night

She (9)_____ it easy

She made it feel right

But now it's over

The moment has gone

I followed my hands to my head

I know I was wrong

(Oh I)

I (10)_____ died in your arms tonight

It must have been something you said

I just died in your arms tonight

(Oh I)

I just died in your arms tonight

It must have been some kind of kiss

I should have walked away

I should have walked away
