

Fill in the gaps

Hey Lucy, I remember your name	I never wanted anything so bad
I left a dozen roses on your grave today	Here we are
I'm in the grass on my knees, wipe the leaves away	For a brand new start
I just (1) to (2) for a while	Living the life that we could've had
I got some things I need to say	Me and Lucy walking hand in hand
Now that it's over	Me and (14) never wanna end
I just wanna (3) her	Just (15) moment in (16) eyes
I'd give up all the (4) to see	I'll see you in another life
That (5) piece of heaven looking back at me	In heaven where we (17) say goodbye
Now that it's over	Now that it's over
I just wanna hold her	l just wanna (18) her
I've gotta live with the (6) I made	I'd give up all the world to see
And I can't live with myself today	That little (19) of heaven looking back at me
Hey Lucy, I remembered your birthday	Now that it's over
They said it'd bring some closure to say (7) name	I just wanna hold her
(To say (8) name)	I've gotta live (20) the choices I made
I know I'd do it all different if I had the chance	And I can't live with (21) today
(The chance)	Here we are, now you're in my arms
But all I got are (9) roses to give	Here we are for a brand new start
And (10) can't help me make amends	Got to live (22) the (23) I'v
Now that it's over	made
I just wanna (11) her	And I can't live with (24) today
I'd give up all the world to see	Me and Lucy walking hand in hand
That (12) piece of heaven looking back at me	Me and Lucy never wanna end
Now that it's over	Got to live with the (25) I've made
I (13) wanna hold her	And I can't (26) (27) myself
I've gotta live with the choices I made	Today
And I can't live with myself today	Hey Lucy, I (28) your name
Here we are	
Now you're in my arms
