

## Fill in the gaps

I'm just a step away	I need a hero to save my life
I'm (1) a breath away	I need a hero just in time
Losin' my faith today	Save me just in time
(Fallin' off the edge today)	Save me just in time
I am just a man	Who's gonna fight for what's right
Not superhuman	Who's gonna help us survive
(I'm not superhuman)	We're in the fight of our lives
Someone save me (2) the hate	(And we're not ready to die)
It's just another war	Who's gonna fight for the weak
Just another family torn	Who's gonna make 'em believe
(Falling from my faith today)	I've got a hero (I've got a hero)
Just a step from the edge	Livin' in me
Just another day in the (3) we live	I'm gonna fight for what's right
I need a hero to save me now	Today I'm speaking my mind
I need a hero (save me now)	And if it kills me tonight
I (4) a hero to save my life	(I will be ready to die)
A hero'll (5) me (just in time)	A hero's not afraid to give his life
I've gotta fight today	A hero's gonna save me just in time
To live another day	I need a hero to (8) me now
Speakin' my (6) today	I need a hero (save me now)
(My voice will be heard today)	I need a hero to save my life
I've gotta make a stand	A hero'll save me (just in time)
But I am just a man	I need a hero
(I'm not superhuman)	Who's gonna (9) for what's right
My voice will be (7) today	Who's gonna help us survive
It's just another war	I need a hero
Just another family torn	Who's gonna fight for the weak
(My voice will be heard today)	Who's gonna make 'em believe
It's just another kill	I need a hero
The countdown begins to destroy ourselves	I need a hero
I need a hero to save me now	A hero's gonna save me just in time
I need a hero (save me now)	
I need a hero to save my life	
A hero'll save me (just in time)
