

Fill in the gaps

Let's play a game my dear, you	To unfold
Read my mind	Under the influence of wine and jazz
While I try to figure out	I will say I (7) you
What's inside	Then you
Under the influence of wine and jazz	You will believe me though
I will say I love you	One day
So you, you (1) believe me though	I am feeling fine
One day	But then the next I'm feeling down
I am feeling fine	And I don't think that you have ever known me well
Oh, the (2) I'm feeling down	Or listened to those (8) I sang
And I don't think that you have ever known me well	They were about you
Or listened to the songs I sang	And I don't think (9) you have ever felt this way
They (3) honest	Or listened to those words I sang
And I don't think that you have ever felt (4) way	They were about you
Or (5) to (6) words I sang	One day
They were about you	I am feeling fine
About you	So the (10) I'm feeling down
You	I'm feeling down
You	I'm feeling down
You	I'm feeling fine
My eyes have danced with yours a million times	
Waiting for the silent dawn
