

It might end today, but we made it far

## Fill in the gaps

Let's head for hell tonight	When we leave
You and I	We won't leave here peacefully
No (1) in (2) can hold us	Ash to ash, dust to lust
down	Through other's blood, we'll (15) rust
We'll ride free	Forevermore as our (16) will sore
We wait patiently	We are the darkest (17) from the heavens
Break the walls, (3) gun	above
Across the (4) unchained, unbound	The (18) coming from the fires below
We ride free	And we won't die old, blessed by our broken homes
We (5) instantly	Shotgun romance, all (19) born
Ash to ash, dust to lust	Show no mercy, slay (20) all
Through other's blood, we'll never rust	One kill, two souls
Forevermore as our (6) (7) sore	(Oh) our (21) of cold
We are the darkest angels from the (8)	Hearts of cold
above	Slay (22) all
The (9) (10) from the fires	Cold
below	The darkest angels from the heavens above
And we won't die old, (11) by our broken	The outlaws (23) (24) the fires
homes	below
Shotgun romance, all (12) born	And we won't die old, blessed by our (25)
Show no mercy, slay them all	homes
One kill, two souls	Shotgun romance, all natural born
(Oh) our hearts of cold	Show no mercy, slay (26) all
Hearts of cold	One kill, two souls
Scar this town, crown the crime	(Oh) our (27) of cold
Baby, we'll (13) (14) tonight	Hearts of cold
We're set free	Cold
We run famously	
Through endless miles, dusk 'til dawn
