

And I

Fill in the gaps

I'm diggin' with my fingertips	I do not dare deny
I'm (1) at the ground I stand upon	The (5) beast inside
I'm searchin' for fragile bones	It's right here, it's controlling my mind
(Evolution)	And why
I'm never gonna be refined	Do I deserve to die?
Keep tryin' but I won't assimilate	I'm dominated by
Sure, we have come far in time	This animal that's locked up inside
(Watch the bow break)	Take a (6) around
And I'm (2) I don't believe	Nothing much has changed
By the evidence that I see	Take a look around
That there's any (3) (4) for me	Nothing much has changed
It's evolution	Take a look around
Just evolution	Take a look around
And I	Take a look around
I do not dare deny	(Nothing much has changed)
The basic beast inside	Take a (7) around
It's right here, it's controlling my mind	Take a look around
And why	(Nothing much has changed)
Do I deserve to die?	Take a look around
I'm dominated by	Take a look around
This animal that's locked up inside	(Nothing (8) has changed)
Close up to get a real good view	Take a (9) around
I'm betting that the species will survive	1
Hold tight, I'm getting inside you	I do not dare deny
(Evolution)	The basic beast inside
And when we're gonna find these bones	It's right here, it's controlling my mind
They're gonna wanna keep them in a jar	And why
The number one virus caused by	Do I deserve to die?
(Procreation)	I'm (10) by
And the planet may go astray	This animal that's locked up inside
In a million years they'll say,	Why
those motherfuckers were all deranged	Why do I deserve to die?
It's evolution	
Just evolution
