

## **Evolution by Korn**

I'm diggin' with my fingertips			
I'm ripping at the ground I (1) upon			
I'm searchin' for fragile bones			
(Evolution)			
I'm never gonna be refined			
Keep tryin' but I won't assimilate			
Sure, we have come far in time			
(Watch the bow break)			
And I'm (2) I don't believe			
By the evidence that I see			
That there's any hope left for me			
It's evolution			
Just evolution			
And I			
I do not dare deny			
The basic beast inside			
It's (3) here, it's controlling my mind			
And why			
Do I (4) to die?			
I'm dominated by			
This animal that's locked up inside			
Close up to get a real good view			
I'm betting that the species will survive			
Hold tight, I'm getting inside you			
(Evolution)			
And when we're gonna find these bones			
They're gonna wanna keep them in a jar			
The number one virus caused by			
(Procreation)			
And the planet may go astray			
In a million years they'll say,			
those motherfuckers were all deranged			
It's evolution			
Just evolution			
And I
