And I'll never give myself to another

The way I gave it to ya

Rehab by Rihanna & Justin Timberlake

Baby baby	Don't even recognize the ways you hurt me, do ya?
When we (1) met, I never felt something so	It's gonna take a miracle to bring me back
strong	And you are the one to blame
You were like my (2) and my best friend	'Cause now I feel like (ooh!)
All wrapped into one with a ribbon on it	You're the reason why I'm thinking
And all of a sudden, when you left	I don't wanna smoke on these cigarettes no more
I didn't know how to follow	I guess this is what I get for wishful thinking
It's like a shot that spun me around	Should've never let you enter my door
And now my heart's dead	Next time you wanna go on and leave
I feel so (3) and hollow	I should (7) let you go on and do it
And I'll never give myself to another	Now I'm using like I bleed (now I'm using like I bleed)
The way I gave it to ya	It's like I (8) into rehab
Don't even recognize the ways you hurt me, do ya?	And baby, you're my disease (you're my disease)
It's gonna take a miracle to bring me back	It's like I checked into rehab
And you are the one to blame	And baby, you're my disease
And now I feel like (ooh!)	I gotta check into rehab
You're the reason why I'm thinking	'Cause baby you're my disease (you're my disease)
I don't wanna smoke on these cigarettes no more	I gotta check into rehab
I guess that's what I get for wishful thinking	'Cause baby you're my disease
Should've never let you enter my door	Now ladies gimme that
Next time you wanna go on and leave	(Oh oh oh oh oh oh oh)
I should just let you go on and do it	(Oh) now gimme that
Cause now I'm using like I bleed	(Oh oh oh oh oh oh oh)
It's like I (4) into rehab	(Oh) you're the (9) why I'm thinking
And baby, you're my disease	I don't wanna smoke on these cigarettes no more
It's like I checked (5) rehab	I guess this is what I get for wishful thinking
Baby, you're my disease	Should've never let you enter my door
I gotta check into rehab	Next time you wanna go on and leave
'Cause baby you're my disease	I should just let you go on and do it
I've gotta check into rehab	'Cause now I'm using like I bleed
'Cause (6) you're my disease	It's like I checked (10) rehab
Damn, ain't it crazy when you're love-swept	And baby, you're my disease
You'd do anything for the one you love	It's like I checked into rehab
Cause anytime that you needed me, I'd be there	And baby, you're my disease
Its like you were my favorite drug	I gotta check into rehab
The only problem was that you was using me	'Cause baby you're my disease
In a different way that I was using you	I've gotta check in to rehab
But now that I know that it's not meant to be	'Cause baby you're my disease
You gotta go, I gotta wean myself off of you
