## Fill in the gaps

### Rehab by Rihanna & Justin Timberlake

Baby baby	Don't even recognize the ways you hurt me, do ya?
When we first met, I never felt (1) so	It's gonna take a (16) to bring me back
strong	And you are the one to blame
You were like my lover and my best friend	'Cause now I feel like (ooh!)
All wrapped into one with a ribbon on it	You're the reason why I'm thinking
And all of a sudden, when you left	I don't wanna smoke on these cigarettes no more
I didn't know how to follow	I (17) this is what I get for wishful thinking
It's like a shot that spun me around	Should've never let you enter my door
And now my heart's dead	Next (18) you wanna go on and leave
I feel so empty and hollow	I should just let you go on and do it
And I'll never give myself to another	Now I'm using like I bleed (now I'm (19) like I
The way I gave it to ya	bleed)
Don't even (2) the ways you hurt me,	It's like I checked into rehab
do ya?	And baby, you're my (20) (you're my
It's gonna take a miracle to bring me back	disease)
And you are the one to blame	It's like I checked (21) rehab
And now I feel like (ooh!)	And baby, you're my disease
You're the reason why I'm thinking	I gotta check (22) rehab
I don't wanna smoke on (3) cigarettes no more	'Cause baby you're my disease (you're my disease)
I guess that's what I get for wishful thinking	I gotta check into rehab
Should've never let you (4) my door	'Cause baby you're my disease
Next time you (5) go on and leave	Now ladies gimme that
I should just let you go on and do it	(Oh oh oh oh oh oh oh)
'Cause now I'm using like I bleed	(Oh) now gimme that
It's like I (6) into rehab	(Oh oh oh oh oh oh oh)
And baby, you're my disease	(Oh) you're the (23) why I'm thinking
It's like I checked into rehab	I don't wanna smoke on these cigarettes no more
Baby, you're my disease	I (24) is (26) I get for
I gotta (7) (8) rehab	wishful thinking
'Cause baby you're my disease	Should've never let you enter my door
I've gotta (9) into rehab	Next time you wanna go on and leave
'Cause baby you're my disease	I should (27) let you go on and do it
Damn, ain't it crazy when you're love-swept	'Cause now I'm using (28) I bleed
You'd do anything for the one you love	It's like I checked into rehab
Cause anytime that you needed me, I'd be there	And baby, you're my disease
Its like you were my favorite drug	It's (29) I checked into rehab
The only (10) was that you was using me	And baby, you're my disease
In a different way that I was using you	I gotta check into rehab
But now (11) I know that it's not meant to be	'Cause baby you're my disease
You gotta go, I (12) myself off of	I've gotta check in to rehab
you	'Cause baby you're my disease
And I'll (14) (15) myself to another	
The way I gave it to ya
