(Te amo, te amo)	Without ask me why
She (1) to me	I said (te amo)
I hear the pain in her voice	Somebody (10) me (11) she said
Then we danced underneath the candelabra	Don't it mean I love you
She takes the lead	Think it means I (12) you
That's when I saw it in her eye	Don't it (13) I love you
It's over	Yes we can dance
Then she (2) (te amo)	But you (14) watch your hands
Then she put her hand around me waist	Watch me all night
I told her no	I move under the light
She (3) (te amo)	Because I understand
Told her I'm not gonna run away	That we all need love
But let me go	And I'm not afraid to feel the love
My (4) is a cry	But I (15) feel that way
Without ask me why	Then she says (te amo)
I said (te amo)	Then she put her hand around me waist
Somebody tell me what she said	I told her no
Don't it mean I love you	She cries (te amo)
Think it means I love you	I (16) her (17) not (18)
Don't it mean I love you	run away
(Te amo, te amo) (5) scared to breathe	But let me go
hold her hand, I got no choice (uhh)	My (19) is a cry
Pull me out on the beach, danced in the water	Without ask me why
start to leave	I said (te amo)
She's (6) me and asking why	Somebody tell me what she said
It's over	Don't it (20) I (21) you
Then she (7) (te amo)	Think it means I love you
Then she put her hand around me waist	Don't it mean I love you
I (8) her no	Think it (22) I (23) you
She cries (te amo)	I (24) you
Told her I'm not gonna run away	(Te amo, te amo)
But let me go	Don't it mean I love you
My (9) is a cry
