

## Fill in the gaps

It's (1) the way the game is played	But babe the wait is over
It's best if you (2) wait your turn	Sometimes it (16) a thousand tries
The wait is over, the wait is over	To win, the wait is over
The wait is over, the wait is over	Fumble, don't you fumble
The wait is over, the wait is over	That's a flag on the play
The (3) is over, the wait is over	Babe if you don't wanna then you don't (17) to wait
I pitch (4) a grenade	But (18) we gon' be taking over
Swing away if you're feeling brave	It's just the way the game is played
There's so (5) power in my name	It's best that you just wait your turn
If you pop off and you say	Baby put the work in (19) a champion
It steady I'm gonna do the wave	But the crowd is screaming (20) their hands way
I'm (6) a fuckin' lady	up
You don't have to be so afraid	Couldn't be with no one else
'Cause I got room up on my team	You're the only way I'll win
You can play but hold up	Baby got the whole world standing up
It's just the way the game is played	Damn I'm glad I picked ya, took a chance on love
It's best that you just (7) your turn	Baby love the time is now
It's getting crowded (8) here	And now the wait is over

Sometimes it (9) a thousand tries	The (22) is over, the wait is over
