Fill in the gaps

Slipping Away by Information Society

So I've (1) thinking	So kiss me like you would kiss me
Of the way you used to talk to me	If it were the (6) time
And now it seems we never talk at all	Hold me now
So kiss me (2) you would kiss me	Hold me like you did hold me when it was
If it (3) the last time	The (7) time
Hold me now	'Cause I can feel you slipping away
Hold me (4) you did hold me when it was	And I can't think of anything to say
The first time	That will turn you around and make you stay
'Cause I can feel you slipping away	I can feel you slipping away
And I can't think of anything to say	Slipping away
That will turn you around and make you stay	'Cause I can feel you slipping away
I can feel you slipping away	And I can't (8) of anything to say
Slipping away	That (9) turn you around and make you stay
Now I can see you	I can feel you slipping away
Talking softly on the phone again	Slipping away
And more and more you need to be alone	
Now I make you (5) just by being near	
And even when we're together now we still feel lonely
