

### Fill in the gaps

### As We Enter by Nas & Damian "Jr. Gong" Marley

As we enter	Rise of the ^^^^^, I can see the fear up in your eyes
Come now we take you on the biggest adventure	Realize you can die any instant
Must be dementia that you ever thought	And I can (13) the sound of your voice
You could (1) our credentials, what's the initials?	When you must (14) your life like mice in the
You be Jamrock, the lyrical official	kitchen
Send out the order, (2) and the rituals	Snitching, I can see him ******* on hisself
Burn candles, say prayers, paint murals	And he wetting up his thighs and he trying to
It is truth, we big news, we hood heroes	(15) it
Break past the anchor, we come to conquer	Switching, I can smell him (16) up
Man a badman, we no play (3) Wonka	(17) like a fly
And I got the guns	Come (18) and be persistent
I got the ****	That's how you end up in a hit list
And we could blaze it up on your block if you want to	In a bad man business
Or haze it up, stash box in a Hummer	No evidence
Or you (4) run up and get (5) up	Crime scene, fingerprint-less
Or get something that you want none of	Flow effortless
Unlimited amount to collect from us	Casual like the weekends
Direct from us, street intellectuals	No (19) when
And I'm shrewd about decimals	We're (20) and decent
And my man'll speak patois and I can speak rap star	We set (21) off beastin'
Y'all (6) me even if it's in Swahili	Hunting season
Or Badi Gani	And, (22) speaking
Masuri Sana	Word is out, hysteria you heard about
Switch up the language and move to Ghana	Nas and Jr. Gong came to turn it out
Salute and honor, real revolution rhymers	Body the verses 'til (23) scream murder out
Riddim piranhas	The kings is back, time to return the crown
Like (7) Obamas, unfold the drama	Who want it? Tuck (24) chain, we're due coming
Word is out, hysteria you heard about	Renegades that'll peel you back like new hundreds
Nas and Jr. Gong came to turn it out	Bet your jewels on it, you don't want to lose on it
Body the verses 'til they scream (8) out	Either move on or move on it
The kings is back, time to return the crown	Word is out, hysteria you heard about
Who (9) it? Tuck your chain, we're due coming	Nas and Jr. Gong came to turn it out
Renegades that'll (10) you back like new hundreds	Body the verse 'til they scream murder out
Bet your jewels on it, you don't want to lose on it	The kings is back, time to return the crown
Either move on or (11) on it	Who want it? Tuck your chain, we're due coming
Queens to Kingston	Renegades that'll peel you back (25) new
Gunshot we use and (12) the kingdom	hundreds
	Bet your jewels on it, you don't (26) to lose on it
	Either move on or move on it
