

Fill in the gaps

Lili
Take another walk out of your fake world
Please put all the (1) out of your hand
You'll see that you can breathe without no back up
So much stuff you've got to understand
For every step in any walk
Any town of any thought
I'll be your guide
For every street of any scene
Any place you've never been
I'll be your guide
Lili
You know there's (2) a place for
(3) like us
The same blood runs in every hand
You see it's not the (4) that make the angel
Just have to move the bat out of your head
For every (5) in any walk
Any town of any thought

I'll be your guide
For every street of any scene
Any place you've (6) been
I'll be your guide
Lili
Easy as a kiss we'll find an answer
Put all your fears (7) in the shade
Don't become a ghost without no colour
'Cause you're the best paint, (8) ever made
For every step in any walk
Any (9) of any thought
I'll be your guide
For (10) street of any scene
Any place you've never been
I'll be your guide
