

Fill in the gaps

_et's play a game my dear, you read my mind	Under the (6) of wine and jazz
While I try to figure out	I'll say I love you every time
What's inside	And you, you will believe me though
Under the (1) of wine and jazz	One day
'll say I love you every time	I'm feeling high
And you, you (2) believe me though	Oh, the next I'm feeling down
One day	And I don't think that you have (7) known me wel
'm feeling fine	Or listened to the songs I sang
Oh, the next I'm feeling down	They were honest
And I don't think that you (3) (4) known	And I don't think that you (8) ever (9)
me well	this way
Or listened to the songs I sang	Or listened to those words I sang
They (5) honest	They were 'bout you
And I don't think that you have ever known me well	One day
Or listened to those words I sang	I'm feeling fine
They were 'bout you	Oh, the next I'm feeling down
My eyes have danced with yours a million times	(I'm feeling down)
Naiting for the silent dawn
