## Living La Vida Loca by Ricky Martin

## Fill in the gaps

Upside, inside out

She's into superstitions Black cats and voodoo dolls I feel a premonition That girl's (1)\_\_\_ \_\_\_\_ make me fall She's into new sensations New kicks in the candle light She's got a new addiction For every day and night She'll make you take your clothes off And go dancing in the rain She'll make you live her crazy life But she'll take away your pain Like a bullet to your brain (come on) Upside, inside out She's living la vida loca She'll push and pull you down Living la vida loca Her lips are devil red And her skin's the color mocha She will wear you out Living la vida loca (come on) Living la vida loca (come on) She's living la vida loca Woke up in New York City In a funky cheap hotel She took my (2)\_\_\_\_\_ and she (3)\_\_\_\_ money She must've slipped me a sleeping pill \_ the water She never (4)\_ Makes you order French champagne

Once you've had a taste of her You'll never be the same

She'll make you go insane (alright)

She's living la vida loca
She'll push and pull you down
Living la vida loca
Her lips are (5) red
And her skin's the color mocha
She will (6) you out
Living la vida (7) (alright)
Living la vida loca
She's living la vida loca
She'll make you take your clothes off
And go dancing in the rain
She'll make you live her crazy life
But she'll take away your pain
Like a bullet to your (8) (come on)
Upside, inside out
She's living la (9) loca
She'll push and pull you down
Living la (10) loca
Her lips are devil red
And her skin's the color mocha
She will wear you out
Living la vida loca (come on)
Living la vida loca (come on)
She's living la vida loca
Come on
(Cara la vida loca)
(Cara, cara, cara la vida loca)
(Cara, cara cara la vi)
