## When You Look Me In The Eyes by Jonas Brothers

On, yean, on, yean	When you (9) me in the eyes
If the (1) is always searching	I catch a glimpse of heaven
Can you ever find a home?	I find my paradise
I've been (2) for that someone	When you look me in the eyes
I never make it on my own	Movin' on, I start to realize
Dreams can't take	I can reach my tomorrow
The (3) of (4) you	I can hold my head up high
There's (5) be a million reasons	And it's all because you're by my side
Why it's true	When you look me in the eyes
When you look me in the eyes	And tell me that you love me
And tell me that you love me	Everything's alright
Everything's alright	When you're right here by my side
When you're right here by my side	When I hold you in my arms
When you look me in the eyes	I know that it's forever
I catch a glimpse of heaven	I just got to let you know
I find my paradise	I never wanna let you go
When you look me in the eyes	'Cause when you look me in the eyes
How long will I be waiting	And tell me that you (10) me
To be (6) you again?	Everything's alright
I'm gonna tell you (7) I love you	When you're right here by my side
In the best way that I can	When you look me in the eyes
I can't take a day without you here	I catch a glimpse of heaven
You're the light that make my darkness disappear	Oh, I find my paradise
When you look me in the eyes	When you look me in the eyes, oh, yeah, a
And tell me (8) you love me	
Everything's alright
