#### What Goes Around...Comes Around by Justin Timberlake

| Hey girl                                       |
|--|
| Is he everything you wanted in a man?          |
| You know I gave you the world                  |
| You had me in the palm of your hand            |
| So, why the love went away?                    |
| I just can't seem to understand                |
| Thought it was me and you, baby                |
| Me and you until the end                       |
| But I guess I was wrong                        |
| Don't wanna (1) about it                       |
| Don't wanna talk about it                      |
| I'm just so sick about it                      |
| I can't believe it's ending this way           |
| Just so confused about it                      |
| Feeling the blues about it (yeah)              |
| I (2) can't do without ya                      |
| Tell me is this fair                           |
| Is (3) the way it's really (4) down?           |
| Is this how we say goodbye?                    |
| Should've (5) (6) when you came around         |
| That you were gonna make me cry                |
| It's breaking my heart to watch you run around |
| 'Cause I know that you're (7) a lie            |
| But that's ok, baby                            |
| 'Cause in time you will find                   |
| What goes around, goes around                  |
| Comes all the way back around                  |
| What goes around (8) around goes around        |

| (Let me paint this picture for you, baby) |
|---|
| You spend your nights alone               |
| And he never comes home                   |
| And everytime you (25) him                |
| All you get a busy tone                   |
| I heard you found out                     |
| That he's doing to you                    |
| What you did to me                        |
| Ain't that the way it goes                |
| When you cheated, girl                    |
| My heart bleeded, girl                    |
| So (26) going without saying              |
| That ya left me feeling hurt              |
| Just a classic case a scenario            |
| Tell is over                              |
| Girl, you got what you deserved           |
| And now you want somebody                 |
| To cure the lonely nights                 |
| You wish you had somebody                 |
| That could come and make it right         |
| But girl, I ain't somebody                |
| Whit a lot of sympathy                    |
| See                                       |
| What goes around (27) back around         |
| I thought I told ya (hey)                 |
| What goes around (28) back around         |
| I thought I told ya (hey)                 |
| What (29) around comes back around        |
| I thought I told ya (hey)                 |
