## We Don't Need Another Hero (Live) by Tina Turner

Out of the ruins		All the children say
Out (1)	the wreckage	We don't (5) another hero
Can't make the same mistake this time		We don't need to (6) the way home
We are the children		All we (7) is (8) beyond the
The last generations		thunderdome
We are the ones (2) left behind		What do we do (9) our lives
And I wonder when we are ever gonna change it		We leave only a mark
Living under the fear (3) nothing else remains		Will our story shine like a life
We don't need another hero		Or end in the dark
We don't need to know the way home		Give it all or nothing
All we want is life beyond the thunderdome		We don't (10) another hero (hero)
Yeah		We don't need to know the way home
Looking for something		All we want is life beyond the thunderdome
We can rely on		All the children say
There's got to be something better out there		We don't need another hero
Love and compassion		We don't need another hero
Their day is (4)_	(coming)	We don't need to know the way home
All else are castles built in the air		All we want is life beyond the thunderdome
I wonder when we are ever gonna change it		Yeah
Living under the fear till nothing else remains
