

Fill in the gaps

We Don't Need Another Hero (Live) by Tina Turner

Out of the ruins	All the (9) say
Out from the wreckage	We don't need (10) hero
Can't make the (1) mistake this time	We don't need to (11) the way home
We are the children	All we want is (12) beyond the thunderdome
The last generations	What do we do (13) our lives
We are the ones (2) left behind	We leave only a mark
And I wonder when we are ever (3) change it	Will our story (14) (15) a life
Living under the fear till nothing (4) remains	Or end in the dark
We don't need another hero	Give it all or nothing
We don't need to know the way home	We don't need (16) (17) (hero)
All we want is life beyond the thunderdome	We don't (18) to (19) the way home
Yeah	All we (20) is (21) beyond the
Looking for something	thunderdome
We can rely on	All the children say
There's got to be something (5) out there	We don't need (22) hero
Love and compassion	We don't (23) another hero
Their day is (6) (coming)	We don't need to know the way home
All else are (7) built in the air	All we want is (24) beyond the thunderdome
I wonder when we are ever gonna change it	Yeah
Living under the fear (8) nothing else remains
