## We Don't Need Another Hero (Live) by Tina Turner

Out of the ruins		All the children say
Out (1)	the wreckage	We don't need another hero
Can't make the same mistake this time		We don't need to know the way home
We are the children		All we want is (5) beyond the thunderdome
The last generations		What do we do with our lives
We are the ones they left behind		We (6) only a mark
And I wonder when we are ever gonna change it		Will our story shine like a life
Living under the fear till nothing else remains		Or end in the dark
We don't need another hero		Give it all or nothing
We don't need to know the way home		We don't (7) another hero (hero)
All we want is (2) beyond the thunderdome		We don't need to know the way home
Yeah		All we (8) is life (9) the
Looking for something		thunderdome
We can rely on		All the children say
There's got to be something better out there		We don't need another hero
Love and compassion		We don't need another hero
Their day is coming (coming)		We don't need to (10) the way home
All else are castles built in the air		All we want is life beyond the thunderdome
I wonder when we are ever (3) change it		Yeah
