| Sit | | To the good times |
|--|-----------|---------------------------------------|
| Good dog | | And the bad time that we've had |
| Stay | | Well, it's been a long slow collision |
| Bad dog | | I'm a pitbull, you're a dog |
| Down | | Baby you're foul in clear conditions |
| Roll over | | But you're (7) in the fog |
| Well here's a good man and a pretty (1) | girl | So I need (8) fine wine and you |
| Trying to (2) together somehow | | You need to be nicer |
| I'm wasting my life, you're (3) | the world | For the good times |
| I get drunk and watch your head grow | | And the bad times we know will come |
| It's the good times that we share | | Yeah |
| And the bad times that we'll have | | I need (9) fine wine |
| It's the good times | | And you, you need to be nicer |
| And the bad times that we had | | You need to be nicer |
| Well it's (4) a long slow collision | | You need |
| I'm a pitbull, you're a dog | | For the good times |
| Baby you're foul in clear conditions | | And the bad time that we had |
| But you're (5) in the fog | | Sit |
| So I (6) some fine wine | | Good times |
| And you, you need to be nicer | | Bad times |
| For the good times and the bad times | | Sweet wine |
| That we'll have | | Bad wine |
| Sometimes we talk over dinner like old friends | | Good cop |
| 'Til I go and kill the bottle | | Bad cop |
| I go off over any old thing | | Lapdog |
| Break your heart | | Bad dog |
| And raise a glass or ten | | Sit |
| To the good times that we shared | | |
