I will never know
'Cause you will never show
Come on and love me now
Come on and love me now
I (1) never know
'Cause you will never show
Come on and love me now
Come on and love me now
Come on and love me now
Carnival came by my town today
Bright lights from giantwheels
Fall on the alleyways
And I'm here
By my door
Waiting for you
I will (2) know
'Cause you will (3) show
Come on and love me now
Come on and love me now
I will never know
'Cause you will never show
Come on and love me now
Come on and love me now
Come on and love me now
