

Fill in the gaps

I'm wiser now	Time for me to do it
I'm not the (1) (2) you used to	I start again, go back to one
know	I'm running things in my way
So long ago	Can't stop me now, I've just begun
I'm stronger now	Don't even (7) about it
I've (3) from my mistakes which way to go	There ain't no way about it
And I should know	I'm taking names, to what is mine
I put myself aside to do it your way	Yes I'm gonna take my turn
But now I need to do it all alone	It's time for me to finally stand alone
And I am not afraid to try it on my own	Stand alone
I don't care if I'm right or wrong	I am not afraid to try it on my own
I'll live my life the way I feel	And I don't (8) if I'm right or wrong
No matter what I'll keep it real, you know	I'll live my life the way I feel
Time for me to do it	No matter what I'm gonna keep it real, you know
On my own	It's time for me to do it
It's over now	See I am not afraid
I can't go back to living through your eyes	To try it on my own
Too many lies	And I don't care if I'm right or wrong
And if you don't (4) by now	I'll live my life the way I feel
I can't go back to (5) someone else	No matter what I wanna keep it real, you know
Not anymore	It's time for me to do it
I never had the chance to do things my way	On my own
So now it's time for me to (6) control	On, on my own
And I am not afraid to try it on my own	
I don't care if I'm right or wrong	
I'll live my life the way I feel	
No matter what I'm gonna keep it real, you know
