

That I'll take to my grave

## Fill in the gaps

Mama, she has taught me well		Never I ask of you
Told me (1) I was young		But never I gave
"Son, your life's an open book		But you gave me (12) emptiness
Don't close it 'fore its done		That I'll take to my grave
The (2) (3)	burns	So let (13) heart be still
quickest"		Mama, now I'm coming home
That's (4) I (5) her say		I'm not all you wished of me
A son's heart's sewed to mother		But a mother's love for her son
But I must (6) my way		Unspoken, help me be
Let my heart go		Yeah, I took your love for granted
Let your son grow		And all the things you said to me, yeah, yeal
Mama, let my heart go		I need (14) arms to welcome me
Or let (7) heart be still		But a cold stone's all I see
Yeah, still		Let my heart go
Rebel, my new (8) name		Let your son grow
Wild blood in my veins		Mama, let my heart go
Apron (9) around my neck		Or let this heart be still
The mark that still remains		Let my (15) go
l left home at an early age		Mama, let my heart go
Of what I heard was wrong		You never let my heart go
I (10) asked forgiveness		So let (16) heart be still
But what I said is done		(Oh whoa)
Let my heart go		Never I ask of you
Let your son grow		But (17) I gave
Mama, let my (11) go		But you (18) me your emptiness
Or let this heart be still		That I'll take to my grave
Never I ask of you		So let this heart be still
But never I gave		
But you gave me your emptiness
