

## Fill in the gaps

### The Day That Never Comes by Metallica

Born to push you around	Take you back one day
Better (1) (2) down	I'll end this day
You put away	l'll (14) color on (15) gray
He hit's the flesh	Waiting for the one
You hit the ground	The day that (16) comes
Mouth so (3) of lies	When you stand up and feel the warmth
Tend to black your eyes	But the (17) (18) come:
Just (4) them closed	Love is a (19) word
Keep praying (5) keep waiting	And never spoken here
Waiting for the one	Love is a (20) word
The day that never comes	Here in this prison
When you (6) up and (7) the w	varmth I suffer this no longer
But the (8) (9) come	s I'll put an end to
No the sunshine (10) comes	This I swear, this I swear
Pushed you across (11) line	The sun (21) shine
Just stay down this time	This I swear, (22) I swear
Hide in yourself	This I swear
Crawl in yourself	
You'll have (12) time	
God I'll (13) them pay
