Dream the same (2) every night	They see it right, (16) see it well
I see our freedom in my sight	But they think this (17) us (18) out
No (3) doors, no windows barred	hell
No things to make my brain seem scarred	Sanitarium
Sleep, my friend, and you (4) see	Leave me be
That (5) is my reality	Sanitarium
They (6) me locked up in this cage	Just (19) me alone
Can't they see it's why my brain (7) "rage"	Sanitarium
Sanitarium	Just (20) me alone
Leave me be	Fear of (21) on
Sanitarium	Natives (22) restless now
Just leave me alone	Mutiny in the air
Build my (8) of what's out there	Got (23) death to do
