Fill in the gaps

All Nightmare Long (Live) by Metallica

LUCK	Infamy
Runs	Hallucination
Out	Heresy
Crawl (1) the (2) one	Still you run, what's to come?
(3) time	What's today?
Horrific memory twists the mind	'Cause we hunt you down without mercy
Dark, rugged, cold and (4) to turn	Hunt you (17) all nightmare long
Path of destruction, feel it burn	Feel us breathe upon your face
Still life	Feel us shift, (18) move we trace
Immolation	Hunt you down without mercy
Still life	Hunt you down all nightmare long, yeah
Infamy	Luck
Hallucination	Runs
Heresy	I crawl back in
Still you run, what's to come?	But (19) luck (20) out
What's today?	Out
'Cause we (5) you down (6)	Then you crawl back in
mercy	Into your obsession
Hunt you (7) all nightmare long	Never to return
Feel us (8) upon (9) face	This is your confession
Feel us shift, every move we trace	Hunt you down without mercy
Hunt you down without mercy	Hunt you down all (21) long
Hunt you down all (10) long, yeah	Feel us breathe upon (22) face
Luck	Feel us shift, every move we trace
Runs	Hunt you (23) without mercy
I crawl (11) in	Hunt you (24) all nightmare long, yeah
But your (12) runs out	Luck
Luck	Runs
Runs	I crawl back in
Out	But (25) (26) runs out
The light that is not (13) is here	Luck (27) out
To (14) you out (15) your own fear	Out
You hide, you hide, but will be found	
Release (16) crypt without a sound	
Still life	
Immolation	
Still life
