

Fill in the gaps

My guilt and my shame	So I'm safe but I'm a little outside
Always sell me short, always (1) the same	I'm (17) laugh when I'm (18)
And my face and my soul	alive
Always wear me thin, (2) under control	Stay
But the longest hours you'll have in your life	You don't always know where you stand
Are the ones you sit, (3) to know if you're	Till you know that you won't run away
right	There's something (19) me (20)
So I'll wait, but I pray that I'm wrong	feels
Because I think I know what's goin' on	Like breathing in sulfur
So let me get (4) straight, the only will is my own	Like breathing in sulfur
I do what (5) I want and (6) alone	Like (21) in sulfur
All my decisions make it untouchable and tainted	Stay
I'm (7) suffer for the rest of my life	You don't always know where you stand
But I always (8) a way to survive	Till you (22) that you won't run away
I'm not a failure, but I know what its like	There's something inside me (23) feels
I can take it, or leave it or die!	Like breathing in sulfur
Stay	Stay
You don't always know where you stand	You don't (24) know where you stand
Till you (9) that you won't run away	Till you know that you won't run away
There's something (10) me that feels	There's something inside me that feels
Like (11) in sulfur	Like (25) in sulfur
My (12) is undone	Like breathing in sulfur
And I'm a (13) to most, but a sage to some	Like (26) in sulfur
And my gods are untrue	Like breathing in sulfur
I'm probably wrong, but I'm better (14) you	Like (27) in sulfur
And the longest hours I've had in my life	Like (28) in sulfur
Were the ones I (15) to	
Were the ones I (15) to
